Pediatric palliative care helps children and their families

HospiceCare in The Berkshires is a proud member of the Pediatric Palliative Care Network helping children 19 or younger living in Massachusetts who have been diagnosed with an illness that could affect normal life expectancy. Services are provided at no cost to eligible children and their families and may include:

- Pain and symptom management
- Case management
- Counseling regarding diagnosis, prognosis, care planning and options for plans of care
- Counseling for the child and affected family members
- Spiritual support
- Complementary health services such as music therapy, reiki, therapeutic massage, and other physician-approved therapies
- Volunteer services
- Respite support

“We had a very medically challenging year with our Rett Syndrome daughter. The nursing and social work team support has been wonderful for our entire family and we highly recommend Pediatric Palliative Care for any family whose child has a medically challenging diagnosis.”
