

High-Quality Hospice Care from a network of comprehensive care services

The difference is in our care.

HospiceCare in The Berkshires is the name known throughout the county with national certifications and honors that let you know you can count on us.

- **Designated as a Quality Partner** by the National Hospice and Palliative Care Organization
- **CHAP-Accredited hospice** by the Community Health Accreditation Program
- **Medicare-Certified** by the Massachusetts Department of Public Health
- Member of the **Hospice and Palliative Care Federation** of Massachusetts

Patient services are provided without regard to race, color, religion, age, gender, sexual orientation, disability, communicable disease, or place of national origin.

Another benefit of HospiceCare in The Berkshires is the expertise and resources of our parent company, Integritus Healthcare, a not-for-profit, consumer-centered organization committed to fulfilling the health and residential needs of Berkshire County. Our network is the reason we are able to provide comprehensive hospice care, both at home and in our own skilled nursing facilities. We are proud to be a leader among non-profit, post-acute care providers in Massachusetts, and even prouder of the care we provide when time is everything.

Hospice is a benefit provided by insurance

Care is covered by most insurance providers, and when you choose HCIB, it's never too early to call. The HCIB team will meet with you to determine your goals and plans of care so you may live your life as fully as possible while keeping comfortable in a place you call home, surrounded by people who care about you.

What is hospice care?

Hospice provides support to patients with life-limiting illnesses and their families, when their life expectancy is six months or less if the illness runs its normal course. At HospiceCare in The Berkshires, our certified team provides expert care to allow individuals dignity, peace and comfort.
